FOR IMMEDIATE RELEASE

Sexy Spring VI Skill-Share Comes to Minneapolis this June

February 26th, 2009, Minneapolis, MN, USA – Sexy Spring VI is a radical, sex- and body-positive skill-share that addresses the many ways in which sex, gender, relationships, our bodies and our choices impact our lives. Now in its sixth year, this year's Sexy Spring skill-share will be taking place on June 5th-7th 2009 in Minneapolis, MN. Daytime programming (from 9am to 7pm) will include guided discussions, workshops, and demonstrations. Nighttime events will likely include a performance cabaret and dance party. This year's event is still in the planning stages and details about the exact location, nighttime events and schedules will be forthcoming.

All Sexy Spring events are free to attend and open to the public. Last year's workshops included "A Look at the Experiences and Perceptions of Relationships : What Happens when Disability is Thrown into the Mix?," "What's Your Kink Got to Do with Your Shrink? The intersection between alternative sexual practices and psychotherapy," "'I'm with Einstein' : Geek Fetishes Revealed," and "Writing Women's Erotica for Fun and (Some) Profit."
